

WELCOME TO PENTWATER

We hope you enjoy your visit. This guide will help you find your way around Pentwater. You can see most of the village and points of interest, just by walking. Our beautiful beach is only a few blocks away from this location. Head north to Lowell Street, then turn west towards Lake Michigan. You'll see the Charles Mears State Park entrance, and the beach. Getting to the Long Bridge dock and the South Channel walk is a short drive, or scenic bike ride around Pentwater Lake.

Please visit us often. Year-round events and information can be found at pentwater.org.
