Village of Pentwater,

I am writing this letter to thank your Police Department, specifically Officer Alan Snow and Chief Laude Hartrum. My wife died in a tragic accident in your community. Officer Snow was the first responder at the scene. He made every attempt possible to revive her. If circumstances had been different his efforts most likely would have worked. Both he and Chief Laude Hartrum were put into a tragic situation in the middle of the night. They acted professionally, investigated the accident and got me grief service personal to talk to.

I wish I had met these two individuals under different circumstances, but it is important that your Village know both of Chief Hartrum and Officer Snow are exemplary employees who did what most people would not be willing to do that night.

Please thank them for me.

Respectfully,

Dave Forsberg

Re: Village of Pentwater ZBA and Planning Commission Appointments

Dear Sara:

You have indicated to me a concern regarding whether the appointment of a Village Council member to both the ZBA and Planning Commission and the appointment of a Planning Commission Member to the ZBA is consistent with the Michigan Zoning Enabling Act, Michigan Planning Enabling Act, Village of Pentwater Codified Ordinance, Pentwater Community Zoning Ordinance, ZBA By-laws, and Planning Commission By-laws. I agree with your conclusion that such an appointment is not consistent with the Ordinances.

Section 150.02 of the Codified Ordinance states in relevant part that:

Members appointed to the [Planning] Commission shall hold no other municipal office, except that one of the appointed members may be a member of the Zoning Board of Appeals, a joint administrative fire board, or the Village Council. (Emphasis added).

This Section precludes the Planning Commission from having more than one member that holds another municipal office. Furthermore, that one member may not be a member of both the ZBA and Village Council. The one member may be a member of either the ZBA or the Village Council, but not both.

Section 18.02(A)(1) of the Zoning Ordinance requires that the first member of the ZBA be a member of the Planning Commission. The second member may be a member of the Village Council. Because Section 150.02 of the Codified Ordinance precludes a Planning Commission member from additionally being appointed to the ZBA and serving as a Village Council member, neither the first member, second member, or any other member of the ZBA can be a Village Council member.

My recommendation is that Section 150.02 of the Codified Ordinance be amended to permit a Planning Commission member to also be a member of the “Zoning Board of Appeals, a joint administrative fire board, and/or the Village Council.” Such an amendment appears consistent with the enabling statutes. If the Village Council is not so inclined to pass such an amendment, the Village may not have a Village Council member serve simultaneously on both the ZBA and Planning Commission and the appointments will have to be made accordingly.

Very truly yours,

(Ord. 2010-2, passed 6-14-2010)
Hello Jeff,

After several meetings and conversations regarding the year ahead, both personally and professionally, I have come to the decision that I need to step down from my seat on the Village Council. Other matters need my attention, and with that, I simply do not feel I can give the Council and the community the focus and energy deserved.

Please know this in no way reflects on the current council members, or your role as President. I have full confidence in this team and even more so as I have watched you take the helm. Were my schedule and situation different I would most gladly continue, and I hope to participate when and where I can in the future.

Although it is not my position to guide next steps, I would like to encourage you to consider Pamela Burdick as my replacement. She was next in line in our recent election results, so it makes sense to turn to her at this time. I also think she would slot into my committee assignments quite well.

I would like my resignation to be effective immediately, and am reaching out to Don Palmer regarding Promotions Committee coordination as there is a meeting scheduled for Thursday which I am hoping he will lead. I’ll not plan on attending future Council meetings, unless simply as a community member.

My very best to you!
April
